ARTICLE 1

HYDRO BUILDING SYSTEMS FRANCE – Brand Name TECHNAL - Sarl with capital of 54,527,500 euros. Headquarters: 270, rue Léon Joulin - BP 63709 - 31037 Toulouse cedex 1 - R.C.S. Toulouse 451 221 295 is organising the "World Architecture Technal Award 2019".

HYDRO BUILDING SYSTEMS France is the headquarters of Brand House TECHNAL which centralises marketing and communication activities for the Building Systems units that distribute TECHNAL brand products worldwide.

ARTICLE 2

Organised for Building Systems units that distribute TECHNAL brand products, the aim of the competition is to discern the most attractive recent constructions on a worldwide basis for their architectural quality and implementation of Technal products.

The list of units is set out in the Appendix hereto.

ARTICLE 3

Only the following may take part in this competition:

/ 2017 and 2018 Technal France Awards prize-winners, for the rewarded project.

/ project developers who took part in the last Technal Spain Awards, solely for the projects presented,

/ customers of the Technal brand and architects associated with projects submitted for competition for all countries other than France and Spain.

Constructions admitted to take part in the competition must be for entirely delivered sites, i.e. accepted by the Project Owner between 1 January 2015 and 15 April 2019.

ARTICLE 4

Eight (8) awards shall be made, one (1) per category, corresponding to the following eight (8) categories:

/ LIVING Award - **Collective** housing (in vertical or horizontal version),

/ LIVING Award - **Individual** housing,

/ STUDY Award - Culture and Teaching,

/ WORK Award - Tertiary, office building, trade & industries + Health Center (public/private Hospital, etc.)

/ DISCOVER Award – Sport center, leisure (e.g.: hotel).

/ REHABILITATE Award - Renovations and extensions.

/ SKYSCRAPER Award – Building of a minimum 25 floors

/ YOUNG ARCHITECT Award - project personally led by Architects up to 40 years old.

These eight (8) prizes shall be rewarded for the eight winning teams by one (1) three-day stay in Paris which includes in particular travel and accommodation costs, together with meals, but also a gala dinner for the trophy award ceremony, a tour of an architectural building, participation in a focus group and a visit to the Batimat exhibition.

ARTICLE 5

As this is a competition to reward architectural projects, the terms & conditions of participation are as follows:

The projects submitted shall be presented:

/ Either by the architect alone who designed the project with TECHNICAL products, the name of the customer who carried out the work shall/may be cited,

/ Or by a supportive team made up of the architect and the Aluminium joinery manufacturer.

To be accepted, the dossier shall be entirely filled in and signed jointly by the Architect and Technal customer where appropriate. In addition, the following documents shall be enclosed:

/ Block plan and sections

/ Ten digital photographs (format jpeg, 300 dpi) in high-definition and JPEG explicitly showing the construction: delivered by Internet via the dedicated website and by CD-Rom or DVD only if necessary for presenting to the jury

/ A descriptive catchphrase of the project and a 10-line text describing your construction in English (must not include any architect's name or geographical area)

/ A ground-floor plan

/ A cross-section

/ The Technal solutions used and mentioned explicitly.

ARTICLE 6

The dossier shall be transmitted via the dedicated website: <https://wata.technal.com/> before 22 may 2019

ARTICLE 7

A pre-selection jury is formed, tasked with checking the application dossiers received via the website prior to their being forwarded to the jury. In order to be selected, dossiers must present the following characteristics as a minimum:

/ The application dossier shall be complete in line with article 5 above. Any incomplete dossier shall be rejected.

/ The project shall fulfil the conditions provided for under article 2 above, i.e. present the architectural quality criteria that highlight TECHNICAL brand products.

ARTICLE 8

All applicant dossiers shall be remitted to the jury of the "World Architecture Technal Award 2019", made up of professionals from the building trade. Members of the jury are not allowed to take part in WATA.

ARTICLE 9

Prize-winners shall be informed individually.

ARTICLE 10

By taking part in the "World Architecture Technal Award 2019", participants undertake to transfer copyright for the creations presented, whether such participants be Prize-winners or not.

Candidates expressly authorise Technal to conserve the files and documents referred to herein.

In particular, Technal may use the files and documents featured in the Prize-winners' dossiers, wholly or partially, for communication and promotional purposes and/or marketing of its products, without this being an obligation as such for Technal.

The files and documents featured in the Prize-winners' dossiers shall be copyright-free.

Prize-winners herewith authorise Technal to:

/ Reproduce the photographs of the constructions, exhibit and disseminate them, wholly or partially, on any medium, made or edited by TECHNICAL, disseminated free of charge, regardless of the quantity, format or standard of such medium;

/ Use the photographs, as such or integrated in computer programmes, used locally or in networks (in particular in websites and the Internet, regardless of the number of sites on which the images are used);

/ Store the photographs in Technal's photo library, with a view to reproducing or representing them at a later date.

/ Touch up the photographs, if needs be, and in particular carry out operations of reframing or calibration that may prove necessary to produce media.

In the eventuality of their not being the authors of the photographs, and, more generally speaking, in all cases where they are not holders of copyright, the Candidates shall inform the authors of the photographs, before they are taken, of the specific context in which they are being taken, as well as the existence of the competition in which they are taking part. In the event of the photographs representing buildings or monuments protected by copyright, the Candidates shall see that there is no infringement of the right of portrayal or property and all works protected by copyright (sculptures, paintings, drawings and designs, graphic works etc.).

After the competition of which they are the prize-winners, the latter shall communicate to Technal any useful information enabling them to contact the author of the photographs with a view to performing transfer of copyright.

In any event, Technal shall ensure that the author's name is mentioned each time use is made of the right to reproduce or right to represent documents which go to make up an application dossier.

ARTICLE 11

The organisers shall not be held liable for non-delivery of participation dossiers should these not reach their destination. They reserve the right to extend or cancel the Competition if circumstances require this, without being liable for such.

ARTICLE 12

Where competing teams are concerned, taking part in the Competition implies that they accept these regulations and conditions thereof and waive any recourse against the decisions of the jury.

ARTICLE 13

In application of the provisions of Act No. 78-17 of 6 January 1978 relating to Information Technology, Files and Civil Liberties and of European Regulation No. 2016/679 of the European Parliament and Council of 27 April 2016 relating to the protection of physical persons with regard to the processing of personal data and the free circulation thereof, personal data relating to employees or corporate officers designated by the participants shall be dealt with exclusively by HYDRO BUILDING SYSTEMS FRANCE, for the due execution of the competition.

HYDRO BUILDING SYSTEMS undertakes to:

- / Process participants' personal data lawfully, loyally and transparently;
- / Collect participants' personal data for determined, explicit and legitimate ends, and not to process them later in any way that is inconsistent with such ends;
- / Ensure that participants' personal data is suitable, relevant and limited to what is necessary with regard to the ends for which it is processed;
- / Ensure that participants' personal data is exact and up to date.

Participants shall have a right of access to and rectification of their personal data, as well as a right to limit the processing thereof as far as this is applicable. Any claim must be sent to the following address: rgpd.hbsfrance@hydro.com

Participants may oppose processing of certain personal data for legitimate reasons.

The participants' personal data shall be conserved for the duration of the competition.

In addition, personal data shall not be transferred outside the European Union.

Finally, correspondents shall have the right, if necessary, to submit a claim to the CNIL (Commission Nationale Informatique et Libertés, <https://www.cnil.fr/fr/plaintes>).

ARTICLE 14

This competition is governed by French law.

It is drawn up both in French and English versions, either of which may be produced as sufficient proof.

The French version shall take precedence in the event of any divergence between versions or any difficulties in interpretation thereof.
